You are purchasing with rights to be able to breed your puppy to another AKC register PWC BUT there is NO GUARANTEE this puppy will produce or place in a show. This simply means you can register your future litter IF one is produced. This is what FULL REGISTRATION means by me the breeder. There are NO EXCHANGES OR REFUNDS when buying as a breeder or as a show dog if you have any future problems of them not being able to produce, sterile, inverted, future defective babies, place in a show, etc. ANYTHING PERTAINING TO BREEDING OR SHOWING OR HEALTH (HEALTH FALLS UNDER MY 72 HOUR RULE FOR HEALTH) IS NO REFUNDS OR EXCHANGES, I can not predict the future if these will be able to produce. Also I have a 72 hour rule for health, once the 72 hours has passed there are no more warranties for this puppy. This is to give you enough time to take them to a vet for a check up

and to establish you a vet. Anything pass the 72 hours is not honored. 72 hours starts from the time you receive your baby either from a Nanny, airport, ground transportation or from us. If you are purchasing a male as a breeder, I will provide a statement from our vet that both testicles have been found, once you have the male in your possession and your vet does not find them there is NO REFUNDS OR EXCHANGES. Our vet found them at the time of his check up and once the baby leaves our home we are not responsible or be held liable for anything or expenses. See below for hernias. Once my vet has inspected them and gave them an all clear I will let you know but again I will not do an exchange or refund if your vet finds something else after my vet's exam. I stand by my vet and only my vet's findings not yours. If your male's testicles are not both down and our vet will not document that they have not found both, I will offer and exchange when I have one available. It will be at breeder's discretion which male puppy to pick from. Please be aware this can take up to a few months or maybe even a year for the replacement due to how many we have that are pregnant at that time

Buyer understand there are NO refunds under any circumstance's

Buyer agrees if they should default on this contract at anytime for any reason they will surrender said listed puppy/ dog and the AKC registration papers signed transfer to breeder with any hesitation.
